Dear Friends,

I want to extend an invitation to you to join us on our second congregational mission to Israel. We are planning an itinerary for both adults and families that will provide first-timers – young and old – with all the highlights they have dreamed of seeing for years and returnees with new, enlightening and inspiring opportunities. Our trip will combine meetings with a broad spectrum of Israelis and visits to sites of historical significance.

I believe that we will return with a deeper understanding of the richness of our heritage and the complexities of the challenges, both internal and external, that face Israel today and with a deeper sense of connection to the land of Israel, the state of Israel, and the Jewish people. I hope that you will consider joining me on this adventure.
