

CCAR PRE TRIP
TIYUL TO S'DEROT & BEER-SHEVA
SPONSORED BY UJC RABBINIC CABINET
TUESDAY, FEBRUARY 24
8:00 A.M. - 5:00 P.M.

UJC and local Federations have been instrumental in supporting the beleaguered population of S'derot. This visit will allow CCAR members to see what has been done in an "up close" and personal manner.

After S'derot, travel to Beersheva for a visit to JAFI or JDC sites that are dealing with the issues of correcting the social injustices that are emerging in Israel. Included will be a Junior High/ High School program that identifies talented, but underprivileged kids, many who are Ethiopian, and helps them maximize their potential, so that they can become productive citizens of Israel.

Sponsored at no charge by the UJC Rabbinic Cabinet, this tiyul is limited to a maximum of 45 participants. Sign up will be on a first come, first served basis. Once the maximum number is reached, a waiting list will be started.

The purpose of this tiyul is to educate CCAR members about the work of the UJC/Federation system in Israel and the Rabbinic Cabinet.
