Dear All:

I hope you will join us on our adventure through our Homeland, the State of Israel. I love Israel and I am so excited to be able to share some of my favorite places and people with you. While traveling together we will have the opportunity to learn more about the history, geography and people who have helped create the miracle that is Israel today. We are also going to be able to see the famous red city of Petra in Jordan. I have never been there and I am delighted we were able to include it in this trip too.

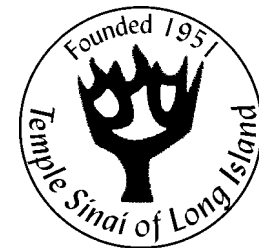

We will have deluxe accommodations and marvelous guides to make our trip truly wonderful. While we will be on the move, we will have plenty of time to see all the highlights of a trip to Israel and a few special extras I have personally chosen to add to this tour.

I look forward to sharing this special journey with you!

Best wishes and **START PACKING!!**
